Awarded 13 Gault & Millau points, thanks in part to the use of fresh Swiss products of superior quality, preferably with zero food miles, the cuisine of the Ai Giardini di Sassa Restaurant is known for its Mediterranean style, with interesting and imaginative variations on the theme.

Do you like to be different? Let yourself be amazed by the new DOT EAT offer, which combines the sophistication of high-level cuisine with the beneficial properties of food.

A bride and groom are captured in a moment of pure joy, jumping high into the air at night. The groom, on the left, is wearing a light-colored suit and tie, with his mouth wide open in a shout. The bride, on the right, is wearing a white strapless wedding dress with a full, flowing skirt and is also shouting with her mouth open. Her hair is blowing in the wind. The background is dark, with some blurred lights and foliage, suggesting an outdoor setting at night.

Dance the night away

Have you always dreamed of putting the finishing touch on your day with a private open bar and dancing until late at night? Reserve an exclusive room and celebrate to the notes of a tune that becomes the soundtrack to an unforgettable moment.
