Villa Sassa Presents Its Autumn Offers

Lugano, August 2024 – **This autumn, Villa Sassa invites business travelers to extend their stay and take advantage of a tailored program specifically designed for business professionals. The “Business Fast Revival - Fall Edition” package provides an ideal opportunity to relax and recharge. But it's not just business travelers who will benefit; couples can enjoy a romantic getaway with the “Autumn Symphonies at Lake Lugano” offer. Both programs are available for booking starting now.**

Located not far from the center of Lugano, Villa Sassa is the perfect venue for conferences, business meetings, and other events. The property features numerous conference rooms and event spaces accommodating 10 to 130 participants. The expansive outdoor areas are also ideal for coffee breaks or elegant business dinners, all with a stunning panorama visible from the hotel terrace.

****Business Fast Revival - Fall Edition****

For those wanting to experience the hotel and the city of Lugano more deeply, there is the option to extend the business stay and spend a few days as a leisure guest at Villa Sassa. The specially designed program helps to leave behind work stress. By focusing on reducing stress, physical tension, and mental strain, the program not only improves sleep quality but also boosts creativity and concentration – all aimed at maximizing productivity.

The exclusive package includes:

- One night in a single or double room;
- Rich breakfast buffet at the hotel restaurant;
- A free dessert for your lunch meal;
- 30 minutes of Private Wellness (jacuzzi, Turkish bath, application of black soap and Kessa glove exfoliation);
- A 45-minute DOT SPOT body massage.

Depending on the time period, the price should start between 160 and 200 CHF, or between 200 and 250 CHF.

****About Villa Sassa****

Since 2006, the charming Ticinese-style Hotel Villa Sassa, with its hotel park and panoramic terrace, has been welcoming guests. In addition to 130 spacious rooms, the hotel features a 3,000m² spa and wellness area with indoor and outdoor pools, a Turkish bath, relaxation room, and fitness center. The hotel has two restaurants: Sassa Bistrot & Bar offers a spectacular lake view and a delightful atmosphere, catering to both hotel guests and those

seeking a scenic dining experience just a few steps from the city center. At the restaurant Ai Giardini di Sassa, Chef Eugenio Belfiore takes guests on a culinary journey towards the Mediterranean, skillfully blending the flavors of Ticino with those of the South.
